

Communication & Interpreting Agency

Our Communication & Interpreting Agency focuses on delivering a high quality service which supports communication between deaf* and hearing people all over Scotland.

THE EQUALITY ACT (2010) STATES THE NEED FOR ANYONE OFFERING SERVICES TO THE PUBLIC TO MAKE REASONABLE ADJUSTMENTS TO ENSURE THESE SERVICES ARE ACCESSIBLE. THIS COULD BE IN RECRUITMENT, EDUCATION, EMPLOYMENT OR ANY OTHER AREA WHERE PEOPLE NEED TO ACCESS GOODS OR SERVICES. FOR DEAF PEOPLE, REASONABLE ADJUSTMENTS MAY INCLUDE THE PROVISION OF ALTERNATIVE WAYS TO COMMUNICATE, SUCH AS THROUGH USING A BSL/ENGLISH INTERPRETER.

Deaf Action is an Agency registered with The Scottish Association of Sign Language Interpreters (SASLI). This means that we can be relied upon to operate to the highest technical and ethical standards. We have been providing a range of communication support since we were established in 1835, so we have gained a lot of experience in that time!
