

Specialist Equipment Service

Deaf Action provides assessment and installation of equipment which increases independence and improves communication.

OUR EQUIPMENT TEAM SPECIALISE IN ASSESSING YOUR NEEDS AND DEMONSTRATING WHAT EQUIPMENT IS AVAILABLE. WE CAN THEN INSTALL IT IN YOUR HOME AND TAKE YOU THROUGH A STEP BY STEP GUIDE TO MAKING THE MOST FROM YOUR NEW PIECE OF EQUIPMENT. WE'RE ALSO HERE TO HELP WITH ANY PROBLEMS YOU MAY EXPERIENCE WITH YOUR EQUIPMENT AND TO FIX OR REPLACE IT AS NEEDED.

If you are a business or organisation, to comply with the Equality Act 2010, you will need to ensure your buildings are fully accessible. Our specialist equipment team has helped many organisations meet their accessibility requirements with, sometimes, only very minor adjustments!

We can talk you through the best options for your business, arrange an installation and provide you with our excellent after care service to ensure your staff are fully trained to use the equipment. If you have an event coming up we also have a range of accessible equipment available for hire.
