

Training

We offer a range of British Sign Language (BSL) and Deaf Awareness courses.

WE HAVE BEEN HOSTING BRITISH SIGN LANGUAGE (BSL) COURSES SINCE THE 1980's AND IN THAT TIME WE HAVE SEEN THOUSANDS OF PEOPLE SUCCESSFULLY PASS THROUGH OUR TRAINING CENTRE. WE USE QUALIFIED AND EXPERIENCED DEAF* TUTORS FOR ALL OF OUR BSL COURSES AND HAVE AMASSED A COLLECTION OF EXCELLENT RESOURCES AND MATERIALS.

NOT SURE WHAT LEVEL YOU'RE AT?

If you already have experience of using BSL, one of our tutors can assess your level so that you begin with a course that matches your skills. Just get in touch and we will do the rest.

DEAF AWARENESS COURSES

We have designed all of our Deaf Awareness courses so that you leave with improved communication skills, a greater understanding of the barriers and issues that deaf people face in their everyday lives, how to ensure that your organisation is fulfilling its legal responsibilities and how to make your services as accessible as possible to the 1 in 5 people living in Scotland who are deaf.
